

29. EGER GRAND PRIX 2017.11.04-05

About the terrain

The 1st and 3rd race will be held north-north-east of Cserépfalu. The most of the terrain was not covered by orienteering map before. The new map was made and the old parts were corrected by János Sótér in 2017.

For a teaser here are some particles of the map:
